Sl no	Clause No	Page No	Description	Query	MHSSP Response
1	General	4	**Bidders can either apply for one, two or all the three Lots as per the eligibility	The Tender can be participated in either of the lot, however, since this is an online tender, there is a single BOQ excel file, wherein it is password protected and in combination for the three lots. The excel file will not allow us to leave any blanks, which is contradicting the tender participating criteria to participate in either of the tender. Hence, we request your clarity on how to go about in this case	If you are applying for specific lots only, then mention that in the tender document and put your figures only for the lot you are applying for in the BoQ, rest you can try adding a numeric value 1 if it is not allowing you to leave blank. As for ESMP, the client will only take into account the specific amount for each lot
2	4.Experience 4.2(a)	44	Specific Construction of Hospital/ Educational Institute & Contract Management Experience	Can the previous experience amounting of more than 9 Cr be taken into consideration for bids submitted against each Lot?	Yes, however the bids will also be thoroughly evaluated taking into account the financial capability of the contractor to take up one, two or all of the three lots

3	LAST DATE AND TIME FOR RECEIPT OF BIDS	1	DATE: 10 th January, 2025 TIME: 1500 Hrs	The Project has decided to extend the submission timeline (Please refer to addendum)	DATE: 20 th January, 2025 TIME: 1500 Hrs
4	TIME AND DATE OF OPENING OF BIDS:	1	DATE: 10 th January, 2025 TIME: 1530 Hrs		DATE: 20 th January, 2025 TIME: 1530 Hrs

Few more contractors visited the office of MHSSP the following days with queries of similar nature as mentioned above. The contractors were informed to visit the office of MHSSP or call any of the concerned staff in case of any further queries. Contractors were also encouraged to speak to our JEs directly for any clarity required concerning the tender.
